Product information

The GP 21 gauge gloves designed for precision handling in dry, wet or oily conditions, with an ergonomic design to minimize hand fatigue. These gloves are dermatologically tested, ensuring they are skin-friendly and comfortable for all-day wear without causing irritation. OEKO-TEX STANDARD 100 certified, they are free from harmful substances, giving you the confidence to work without the worry of an allergic reaction

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products.
